

April 16-17, 2010
Ed/Tech Conference
Rialto, CA

The Rialto, CA educational/technical conference is a cost-effective way for you to market your products and services to the leading cooling system business operators and key personnel in the country. Activities will be held at CSF Inc., and will include timely business intelligence, technical information, market opportunities, and networking. All suppliers are welcome to participate and remember...This is YOUR audience! These are YOUR buyers! Let the Rialto, CA Ed/Tech be the best marketing vehicle for you!

TABLETOP OPPORTUNITIES

Member Price = \$395
Non-Member Price = \$495

Includes: (first come, first-serve basis, limited availability)

- One tabletop display space, with two chairs
- One admission – includes, Friday social, Saturday lunch, and sessions; additional admissions for people from your firm will be available for \$55 each. You will receive details on how to register after you reserve your table top.
- Recognition on the website and in The Cooling Journal

SPONSORSHIP OPPORTUNITIES

We are also offering the opportunity to help offset the costs of the event for shop owners and gain additional exposure for your company by becoming a sponsor:
