***One Super Opportunity to Tour the Aurubis Plant in Zutphen and NRF in Mill, The Netherlands***

The NARSA International Tour is a unique learning experience that brings a small group together to travel to businesses around the world that are part of their industry to learn and to enjoy the diversity of cultures and commerce in the world.

The NARSA International Tour travels to the Netherlands, May 23-26, 2018 for tours and demonstrations from NARSA International Members, Aurubis and NRF. Get a live and in person global perspective on the heat exchange business by touring the facilities of two NARSA members in Europe. Aurubis is a world-wide supplier of metals for heat exchange products and

NRF is a global supplier of heat exchange products for automotive, rail, machinery and marine applications.

### [Aurubis - Netherlands B.V.](#)

Aurubis is a world-wide supplier of metals for heat exchange products. Aurubis produces an extensive portfolio of rolled products made of copper and copper alloys in Zutphen, from standard copper to high-quality specialty alloys, including brass alloys, copper-tin-alloys and our unique alloy CuproBraz®.
