**Remember: Industry Cooling System Customer Appreciation Reception Tuesday at Harrah's**

**LAS VEGAS** – The [2018 AAPEX show](#) features NARSA Pavilions with a wide range of solutions from global suppliers of heat exchange and mobile air conditioning products and services. In addition, NARSA's Annual Cooling System Customer Reception will be featured on Tuesday, October 30 at Harrah's. To register for the trade show go to [www.aapexshow.com](http://www.aapexshow.com)

NARSA members are encouraged to use the city-wide hotel reservation system found at the AAPEX website: [www.aapexshow.com](http://www.aapexshow.com). The annual reception will be held at Harrah's on Tuesday, October 30. Because NARSA members have shown that they like a variety of choices for hotel accommodations at AAPEX and use a variety of hotels, NARSA did not reserve a block of rooms at Harrah's this year. Room prices at Harrah's would have been the same if it was through the NARSA block or the AAPEX block, so it did not make sense to continue to hold rooms outside of the AAPEX arrangement.

Mark your calendars for Tuesday, Oct. 30 for the Cooling System Customer Appreciation Night at Harrah's beginning at 6 pm. See sponsors for tickets or buy them at [www.narsa.org](http://www.narsa.org). A fun evening of refreshments, food and the ever popular cool crowd.
